Dear Parents and Guardians,

Come sail away for a summer of fun as Patriot School Age Center takes off on a

Fantasy Voyage

We have designed each camp to specifically meet the interests of our children and even added new camps this summer. *You talked and we listened!* We encourage you to work with your child when choosing camps to ensure the best summer experience for your child. Each summer camp runs daily, 9:30-11:00 OR 13:30-15:00 for one week. .

In addition to our specialty camps, we will be offering fun activities based on our fantasy voyage theme. We will experience new ports and excursions (group games and activities) throughout the week.

We will be inviting guest speakers and presenters to come and share their talents with our center. We are committed to offering a well-rounded, eventful summer camp experience for each and every child.

Come share the fun, expand your knowledge, learn life skills and make memories.

Your imagination is Calling, Come Sail Away!

Sincerely, Patriot SAC Team
